

School Wear Policy Enforcement Procedure 2009- 2010

SCHOOL WEAR POLICY

ENFORCEMENT PROCEDURE

The purpose of the School Wear Policy is to ensure a safe and conducive campus environment to promote high student achievement and learning.

The School Wear Policy Enforcement Procedure is to maintain compliance of the rules with consideration of the special circumstances due to individual student needs in relation to the policy.

School Wear

Students will comply with the adopted school wear policy:

Students shall wear an approved "School Wear" shirt on all school days. (WHS or Menehune incorporated into design)

Students are not to alter, i.e. cut into midriff or tank top styles, turn inside out, tie, or twist their school wear shirts.

School wear must be worn, not carried in a backpack, slung over the shoulder or worn as a "necklace". There is no excuse!

No shirt, NO EXCUSE! Your shirt is your ticket to school. Teachers have the authority to check for school wear under sweatshirts/jackets.

Student referred to administration will be presented with the following consequences if not in school wear:

1. Given the option of purchasing and changing into school wear immediately and then returning to class. Student is marked "Tardy" and parent/guardian notified.
2. If unable to purchase school wear, parent/guardian notified to bring in school wear or grant permission for student to drive home to pick up school wear. Reasonable time period allowed in both actions.
3. Student awaiting arrival of school wear is placed on immediate detention until parent/guardian arrives. If parent/guardian fails to deliver school wear, detention will turn into "In-School Suspension." Absence will then be marked as "Excused" by attendance clerk.
4. Student failing to return to school after having been sent home to retrieve school wear will be marked "Truant" and referred to KPD for detainment.

Upon 3rd offense, parent is notified and student is suspended from school.

Teachers/administration should have joint responsibility of noting infraction "tallies" for student.

Counselors to schedule post-suspension counseling upon student's return to school.
